All Time Low, Silverstein, Blue Rodeo, Amanda Marshall, and Sass Jordan among the artists completing the FEQ lineup

Quebec City, April 19, 2024 – The lineup for the 56th Festival d'été de Québec is now complete! The few spaces that were still vacant in March when the lineup was unveiled, have now been filled, revealing the artists who will rock the double stage at the Parc de la Francophonie on July 10 and 13. Around ten names are added to the FEQ poster, including **All Time Low, Silverstein, The Anti-Queens, Moneen** and **Cam Kahin**, on July 10, then **Blue Rodeo, Amanda Marshall, Sass Jordan, The Hello Darlins** and **Joffrey Charles** on July 13.

Emo Punk Night on July 10

Taking the headlining spot at 9:15 PM on the Loto-Québec Stage will be the American band **All Time Low**. Before them at 8:00 PM on the SiriusXM Stage, we welcome the Canadian quartet **Silverstein**. These flagship emo punk bands will be preceded by a lineup of talented artists, including Toronto punk-rockers **The Anti-Queens** and Brampton-based **Moneen**. Canadian singer-songwriter, multi-instrumentalist, and producer **Cam Kahin** will kick off the evening.

100% Canadian Folk Rock Night on July 13

On July 13, the festival will present an entirely Canadian night led by the alternative country rock of the legendary **Blue Rodeo** on the Loto-Québec Stage at 9:15 PM. Singer-songwriter **Amanda Marshall**, a significant figure in Canadian music from the 90s, will take the SiriusXM Stage at 8:00 PM. The lineup also includes **Sass Jordan**, an iconic figure in Canadian rock, the folk country roots

collective **The Hello Darlins**, and Gatineau native and former participant of La Voix **Joffrey Charles**, who will showcase his debut album early in the evening.

It's a date for two unforgettable evenings at the Parc de la Francophonie as part of the Festival d'été de Québec! The FEQ takes this opportunity to remind everyone that two free stages, where a pass is not required, are included in this year's lineup: Scène Découverte at Place d'Youville and the Hydro-Québec Stage at Place de l'Assemblée-Nationale.
